

Cow dung DHOOP CUPS

3 easy Steps to use

Step - 1

Place the Gavyamart Organic Cow Dung Sambrani Cup in a heat-resistant container. Choose a clean and calm environment for your ritual or pooja.

Step - 2

Light the tip of the Sambrani Cup using a matchstick or lighter. Allow the flame to burn for a few seconds, ensuring proper ignition.

Step - 3

Gently blow out the flame, and let the Sambrani Cup smolder. Enjoy the fragrant smoke as it fills your space, creating a serene ambiance for pooja, havan, or meditation.

Pooja path

Perfect for many occasions

Pure Panchgavya Formula

Crafted with the essence of cow dung, milk, ghee, curd, and urine, our Sambrani Cups bring you the sanctity of Panchgavya for a truly divine atmosphere.

Ayurvedic Herbs Infusion

Enriched with the goodness of Ayurvedic herbs, our cups release therapeutic fragrances, promoting a sense of well-being and positivity during your pooja or havan.

Charcoal-Free Havan Cups

Say goodbye to harmful additives! Our cups are charcoal-free, ensuring a clean and eco-friendly combustion that aligns with your holistic lifestyle.

Water Pollution due to waste flowers

In India, flower waste is one of the major factors that increases water pollution and pollutes rivers and the organisms living in them, and also contaminates the water with pesticides and chemical fertilizers used to grow the flowers.

Transforming Flowers, Reducing Pollution

Every ingredient used in every Gavyamart product is naturally sourced and made from recycled flowers to reduce water pollution and flower wastes and its duty of each and everyone to play their vital role in saving mother earth and you can do your part by using our cups.
