## ABOUT US

MD MADA Factory is one of the trusted catering equipment suppliers in Saudi Arabia, providing high-quality commercial kitchen and food service solutions for restaurants, hotels, catering companies, hospitals, schools, and event venues. With over 20 years of industry expertise, we specialize in manufacturing and supplying stainless steel equipment, food preparation units, sterilization systems, storage solutions, and customized catering equipment designed for durability and efficiency. Our modern production facility and commitment to international quality standards ensure reliable products that meet the demands of the hospitality and food service sectors. By combining innovation, precision engineering, and exceptional customer service, MD MADA Factory delivers cost-effective catering equipment solutions that help businesses operate efficiently and maintain the highest standards of hygiene and performance.

# **CORPORATE OFFICE FIT OUT DUBAI**

Al Zaher Interiors is a leading office fit-out company in the UAE, delivering innovative interior design and turnkey fit-out solutions for commercial and residential spaces. We specialize in office fit-outs, retail environments, hospitality and healthcare projects, exhibition stands, kiosks, and custom joinery services tailored to meet diverse business requirements. Our experienced team manages every stage of the project, from concept design and space planning to construction and final handover, ensuring exceptional quality and timely delivery. With a strong focus on functionality, aesthetics, and client satisfaction, we create inspiring workspaces that enhance productivity and reflect brand identity. Using premium materials and expert craftsmanship, Al Zaher Interiors transforms ideas into practical, elegant, and high-performing interior environments across the UAE.
