About Us

Led by Dr. Sushil Singh, a trusted and experienced dermatologist in New Alipore, Kolkata, we provide advanced medical care focused on safe and effective hair and skin solutions. We specialize in PRP hair treatment aimed at reducing hair thinning, excessive hair fall, and weak hair roots through medically guided procedures. Every treatment starts with a detailed consultation to evaluate scalp health, hair loss patterns, and overall suitability. Our approach is ethical, personalized, and results-driven, with strong emphasis on patient safety, transparency, and realistic expectations. Alongside PRP therapy, we also offer modern skin rejuvenation treatments to enhance skin health and confidence.
